

You've Got Your Trouble (I've Got Mine)

The Fortunes

I see that worried look upon your face,
You've got your troubles, I got mine.
She's found somebody else to take your place;
You've got your troubles, I got mine.
I too have lost my love today,
All of my dreams have flown away.
Now just like you I sit and wonder why;
You've got your troubles, I got mine.
You need some sympathy, well so do I,
You've got your troubles, I got mine.
She used to love me, that I know,
And it don't seem so long ago
That we were walking, that we were talking
The way that lovers do.

I too have lost my love today,
All of my dreams have flown away.
And so forgive me if I seem unkind,
You've got your troubles, I got mine.
And it must seem to you, my friend
That I ain't got no pity for you,
Well, that ain't true,
You see I lost my lost my lost my little girl too

I'd help another place, another time,
You've got your troubles, I got mine.
You've got your troubles, I got mine.
You've got your troubles, I got mine.
