

Life Is But A Dream

The Four Seasons

Will you take part in
My life, my love
That is my dream

Life is but a dream
It's what you make it
Always try to give
Don't ever take it
Life has its music
Life has its songs of love

Life is but a dream
And I dream of you
Strange as it seems
All night I see you
I'm trying to tell you
Just what you mean to me

I love you
With all my heart
Adore you
And all your charms
I want you
To do your part
Come here to my open arms

Life is but a dream
And we can live in
We can make our love
None to compare with

Will you take part in
My life, my love
That is my dream
Life is but a dream
