

Tell It To The Rain

The Four Seasons

You're crying now just like I used to cry before. (rain, rain, rain)

Turn off the tears, girl; I don't care any more.
You can save all your lies, 'cause I've heard them all
Before
Tell it to the rain
And the stars that shine above,
That it's me you're thinking of,
And that I'm your only love--
Tell it to the rain.

I gave you love, girl, and got nothing in return.
How does it feel to feel what I had to learn?
Baby, don't say you're sorry, 'cause I'm just not
Concerned
Tell it to the rain
And the stars that shine above,
That it's me you're thinking of,
And that I'm your only love--
Tell it to the rain.

Tell it to the rain
And the stars that shine above,
That it's me you're thinking of,
Oh, forget it, love--
Tell it to the rain.

Tell it to the rain
And the stars that shine above,
That it's me you're thinking of,
And that I'm your only love--
Tell it to the rain.
