I Believe In You And Me

The Four Tops

I believe in you and me
I believe that we will be
In love eternally
Well as far as I can see

You will always be the one for me
Oh yes you will
I believe in dreams again
I believe that love will never end

And like the river finds the sea I was lost, now I'm free Cause I believe in you and me

I will never leave your side I will never hurt your pride When all the chips are down I will always be around

Just to be right where you are My love, oh I love you girl I will never leave you out I will always let you in

To places no one?s ever been Deep inside, can't you see I believe in you and me

Maybe I'm a fool
To feel the way I do
But I will play the fool forever
Just to be with you forever

I believe in miracles, love?s a miracle And baby you're a dream come true I was lost, now I'm free girl I believe in you and me

I was lost, now I'm free I believe in you and me
