## **One Chain Don't Make No Prison**

## The Four Tops

Just because in a moment of madness I took advantage of your sweet love Don't just hand me a lifetime of sadness When there's so little I'm guilty of

One chain don't make no prison Two wrongs don't make no right One rain don't make no river One punch don't make no fight

Can you spare me a little affection Would that be askin' too much of you Don't point love in another direction I swear I'll make it all up to you

One chain don't make no prison Two wrongs don't make no right One rain don't make no river One punch don't make no fight Can you hear, baby?

There's a bed I'm keepin' empty for you There's a lot I know I got to prove Don't let a simple misunderstanding Be a mountain that we can't move Ooh, ooh, baby

One chain don't make no prison Two wrongs don't make no right One rain don't make no river One punch don't make no fight

One chain don't make no prison Two wrongs don't make no right One rain don't make no river One punch don't make no fight
