

# Since You've Been Gone

The Four Tops

Since you've been gone  
I find it hard to carry on  
Heartaches are getting stronger  
And I can't hold on much longer

It's my own fault baby, that I foolishly made you cry  
I know I made a mistake but remember to forgive is truly divine  
Come on back into these arms of mine  
Come on back and ease this hurt inside

Since you've been gone  
I find it hard to carry on  
Heartaches are getting stronger  
And I can't hold on much longer

Being without you my love keeps me as low as a man can be  
The places I know, the happy people I see  
Only add to my misery  
Come on back into my lonely days  
Come on back with your sweet loving ways

Since you've been gone  
I find it hard to carry on  
Heartaches are getting stronger  
And I can't hold on much longer

Don't have no future, lost it all in my past  
When I lost you I lost everything I had  
I know nobody ever loved me but you  
Nobody cares the way you used to do  
Come on back darling, please hurry  
I need you, yes I do

Since you've been gone  
I find it hard to carry on  
Heartaches are getting stronger  
And I can't hold on much longer

Darling, darling, oh  
You got to come back, you got to hurry  
You got to come back, you got to come back  
You got to hurry, yeah yeah baby  
You got to hurry, you got to come back
