

## Walk Away Renee

The Four Tops

And when I see the sign that points one way  
The lot we used to pass by every day

Just walk away, Renée  
You won't see me follow you back home  
The empty sidewalks on my block are not the same  
You're not to blame

From deep inside the tears  
I'm forced to cry  
From deep inside the pain  
That I chose to hide

Just walk away, Renée  
You won't see me follow you back home  
Now as the rain burns down upon my weary eyes  
For me it cries

Just walk away, Renée  
You won't see me follow you back home  
Now as the rain burns down upon my weary eyes  
For me it cries

Your name and mine inside  
A heart on a wall  
Still finds a way to haunt me  
Though they're so small

Just walk away, Renée  
You won't see me follow you back home  
The empty sidewalks on my block are not the same  
You're not to blame
