

Suffer In Silence

The Frames

Come back, show your face
Don't you see
You're too good for this place
Can we leave
It's not your fault, what they say
Don't believe

Or would you rather suffer in silence
Needlessly
Or would you rather suffer in silence
And defeat

Ah come on, show the way
I'll believe
Welcome back, you've been away
How's it been

Or would you rather suffer in silence
Needlessly
Or would you rather suffer in silence
And defeat

Asus2 H (střídají se až do konce)

You don't have to suffer in silence
Needlessly
You don't have to suffer in silence
And defeat

Wake up... It's your love calling...
