

# Hold My Hand

The Fray

I found a picture in my basement  
My face a hundred years ago  
But I don't wanna do like he did  
So full of pride and all alone

Escape is in my blood  
Fear is in my bones  
But I don't wanna walk that road  
Please, help me?

Hold my hand,  
I can hear the ghost calling.  
Help me stand,  
Even if the sky is falling.  
And I want you to know,  
I can't do it alone.  
Hold my hand, my hand, my hand.

This is the burden that I carry  
And it goes back a hundred years  
But all the shit I did,  
I am done with it  
You've got every right to leave  
But stay with me

Hold my hand,  
I can hear the ghost calling.  
And help me stand,  
Even if the sky is falling.  
And I want you to know,  
I can't do it alone.  
Hold my hand, my hand, my hand

Hold my hand, hold my hand (2x)

You're the reason why,  
We could write a different story  
Lift me up, lift me up  
I'm falling on my knees again, baby

Hold my hand,  
I feel the ghost coming  
Help me stand,  
I can see the sky falling

Hold my hand,  
I can hear the ghost calling.  
Help me stand,  
I can see the sky falling  
And I need you to know,  
I can't do this alone.  
Hold my hand, my hand, my hand

Hold my hand, hold my hand  
I need you now  
Hold my hand, hold my hand  
I need you

Hold my hand, hold my hand  
I can hear the ghost calling  
Hold my hand, hold my hand
