

# Hurricane

The Fray

She's so fierce and full of that fire  
What's the boy to do?  
She yells and i crumble  
She's got the power  
She's barely 5 foot 2  
She's a hurricane  
(Hurricane)

I see the waves crashing in the harbor  
Just beyond the break  
I should run and hide with the others  
But I can't look away  
She's a hurricane

And I hear the thunder (and I hear the thunder)  
But I won't run, I won't run

I wanna meet her  
I wanna see her dancing in the street  
I wanna feel her  
I wanna hold her body close to me  
She's a hurricane

Hurricane

Lost in the riot  
Peace and quiet  
And the wanderlust  
I'll be hers and she'll be mine  
from dust to dust  
She's a hurricane!  
And I hear the thunder (and I hear the thunder)  
But I won't run, I won't run

The sun is rising  
The rain is falling  
I'm gonna give you all that's left of me  
I will run, I will run into the hurricane

(I will run, I will run)  
(I will run, I will run)

You're my hurricane (I will run, I will run)  
yeah, yeah (I will run, I will run)  
You're my hurricane  
Hurricane

She's a hurricane
