

Never Say Never

The Fray

Some things we don't talk about
better do without
just hold a smile
we're falling in and out of love
the same damn problem
together all the while

you can never say never
when we don't know why
time and time again
younger now than we were before
don't let me go,
don't let me go,
don't let me go,
don't let me go,
don't let me go,
don't let me go

picture you're the queen of everything
as far as the i can see
under your command
i will be your gaurdening
when all is crumbling
steady your hand

you can never say never
when we don't know why
time and time again
younger now than we were before
don't let me go,
don't let me go,
don't let me go,
don't let me go,
don't let me go,
don't let me go

we're falling apart
and coming together again and again
we're coming apart
but we hold it together
hold it together, together again

don't let me go,
don't let me go,
don't let me go,
don't let me go,
don't let me go,
don't let me go (2x)
