

The Wind

The Fray

Oh, my God, I think I'm lost at sea
These silent waves are my company
And, I lost the line between the sky and sea
I'm wondering will the wind ever come for me.
Yeah.

'Cause I don't know, I don't know where I am
Can you tell me, will I break or will I bend?
Will the wind ever come again?

I feel the sun coming up, rising from the east
I see the empire falling to her knees
I lost the line between her and me
My troubles are gone if the wind ever comes for me.
Yeah.

'Cause I don't know, I don't know where I am
Can you tell me, will I break or will I bend?
Will the wind ever come again?

I dreamed I found the shoreline
You're standing there
I dreamed I found you waiting.
You were waiting for me, waiting for me.

I try to kiss the emptiness,
I lost the line between the sky and sea
I feel the sun coming up, coming up, coming up, coming up

And I don't know, I don't know where I am
I will break or I will bend
Will the wind ever come again?

Yeah, yeah, yeah.
