

Hollow

The Friday Night Boys

It's no big deal, I wanted you but you don't feel the same
I'm over you, I'll tell myself 'til I forget your name
That I'm that best that you'll never have
It's a change that I can't pretend

I guess you're no heartbreaker
Give it up, you're never gonna get her
Stop pretendin' I tell myself when I'm lookin' in the mirror
Face it and walk away 'cause you're no heartbreaker
No matter what they say

Call three, four times but she was busy leavin' me behind
So obvious that she's got plans with someone else tonight
An itch I'll search all over again
I'm fine 'cause she was never mine

I guess you're no heartbreaker
Give it up, you're never gonna get her
Stop pretendin', I tell myself when I'm lookin' in the mirror
Face it and walk away 'cause you're no heartbreaker
No matter what they say

The truth is I will never be the same
And all this time I thought that she would change
The memory remains and I just feel so hollow, so hollow

I guess you're no heartbreaker
Give it up, so give it up

You're no heartbreaker
Give it up, you're never gonna get her
Stop pretendin', I tell myself when I'm lookin' in the mirror
Face it and walk away 'cause you're no heartbreaker
No matter what they say, no matter what they say

I tell myself when I'm lookin' in the mirror
Face it and walk away 'cause you're no heartbreaker
No matter what they say
You're no heartbreaker
