

Sorry I Stole Your Girl

The Friday Night Boys

Here we are, again
Baby can't you see we can't go on, like this, whenever
I guess friends don't mean friends forever
If you, (if you) want this (want this)
You better know cause you really got something
I know (I know) you'll miss, every boy begging her for one last kiss

Oh oh
I'm sorry if I stole your girl
Oh oh
I'm sorry if she likes me more than
She ever liked you, she never liked you
I'm sorry, I'm sorry
I'm sorry if I stole your girl
(I'm sorry if I stole your girl)

We, we let go, let go when
The cars start spinning again and again
If you (if you) want this (want this)
I guess you got something I cant resist

Oh oh
I'm sorry if I stole your girl
Oh oh
I'm sorry if she likes me more than
She ever liked you, she never liked you
I'm sorry, I'm sorry
I'm sorry if I stole your girl

On the bed, on the floor
In the other room he's wondering where you are
So lock the door, and close your eyes
I guess now its time
On the bed on the floor
In the other room he's wondering where you are
So lock the door, and close your eyes
I guess now its time

Oh oh
I'm sorry if I stole your girl
Oh oh
I'm sorry if she likes me more than
She ever liked you, she never liked you
I'm sorry, I'm sorry
I'm sorry if I stole your girl

Oh oh
I'm sorry if I stole your girl
Oh oh
I'm sorry if she likes me more than
She ever liked you, she never liked you
I'm sorry, I'm sorry
I'm sorry if I stole your girl

Oh oh
Oh oh
I'm sorry if I stole your girl

Oh oh

Oh oh

I'm sorry if I stole your girl
