

# I'm Sad The Goat Just Died Today

The Frogs

I'm sad because my goat just died today  
I'm sad my goat just fell in the hay, hey  
We're all sad the goat just died today, well, well, well  
We're sad enough to cry, cry-ay-ay-ay  
Sad the goat just died tonight  
We're sad, his funeral's gonna be out of sight  
We're so sad, but in a way we're happy  
He didn't suffer too much  
He only got the cramps once  
Sad, oh, the piece of poop wouldn't come out of his belly  
Sad, we had to call Doc Nelly  
We're sad
