

## Cough It Out

### The Front Bottoms

It's snowing right now I wish it was summer  
But when the summer rolls around ill wish I was freezing  
They don't call me Mr. Greenside for no reason  
When they do I pause and cough it out  
I cough it out, I cough it out, I cough it out  
I cough it out

All the branches on the tree  
That we carved our initials in seam to bend and take the shape  
of them  
And ohhhhhh can't you see  
I am delusional with love, I am delusional with love, I am delu  
sional with love

I don't care if you're not sorry I forgive you  
And with or without your support I will continue  
What I'm trying to say is you never know what you've been throu  
gh  
Till you pause and cough it out  
I cough it out, I cough it out, I cough it out  
I cough it out

All the branches on the tree  
That we carved our initials in seam to bend and take the shape  
of them  
And ohhhhhh can't you see  
I am delusional with love, I am delusional with love, I am delu  
sional with love  
I am delusional with love, I am delusional with love, I am delu  
sional with love

Whatever I did for you last year I cannot do again  
It's getting harder and harder and harder and harder for me to  
call you friend  
No matter how many times I say I won't I'll defend you if I can  
But whatever I did for you last year I cannot do again

I like the in-  
betweens I like the time it takes to get somewhere  
If you know what I mean  
Wave your hands in the air like you just don't care  
I just don't care  
All the branches on the tree  
That we carved our initials in seam to bend and take the shape  
of them  
And ohhhhhh can't you see  
I am delusional with love, I am delusional with love, I am delu  
sional with love

But whatever I did for you last year,  
I cannot do again.  
I will not do again.□
