

Peach

The Front Bottoms

You are my peach, you are my plum
You are my earth, you are my sun
I love your fingers, I love your toes
The back of your head, the tip of your nose

And you are the reason I'm smiling when there is
nothing to smile about
Yeah, you are the reason I'm smiling when there is
nothing to smile about

One day you will find someone who will love you like
you deserve
But tonight I'm the only one left and I'm betting it's
a fact that you will never learn
Once I sink my teeth, your skin's not so tough
I'll leave a tiny cut, there'll be a lot of blood
But once you wipe it up you will feel better about our
entire situation

You are my light, no need to hide
You are my clock, keep me on time
You are my angel, you are my crime
I'll serve this sentence the rest of my life

And you are the reason I'm smiling when there is
nothing to smile about
Yeah, you are the reason I'm smiling when there is
nothing to smile about
I do things wrong, you thought I might
You say I'm gonna miss you when you leave and you are
probably right
But I'm just as stoned, I don't wanna fight
You say I should think before I talk, you say I
shouldn't think about my life
Cause once I finally hit the ground, who's gonna drag
me into the light?
It's just so hard to see tomorrow past tonight, woah
It's just so hard to see tomorrow past tonight, woah
