

I'm Coming From Nowhere

The Frozen Autumn

I want to change this kind of situation...
Where is the key to see myself ?
I'm coming from nowhere...
I'm coming from nowhere...
I'm coming from nowhere...
I'm coming from nowhere, nowhere !
Can I remember the days when I was so
far away... far away ?
My mind is drifting through the autumnal
Gardens where I am... where I am.
