

Frustrators Jingle

The Frustrators

I'm just as stupid as I wanna be
But I don't really care cuz you don't even know me
And that's ok
Cuz I'm frustrated anyway

I'm garbage-in and I'm garbage-out
Out of our minds when we ate the trout
And I don't know me
And I don't care
Cuz we're frustrated everywhere

I don't really know we don't know what's going on
It's like a big game of chess and we're the pawns
We don't really care if we don't know how to write a song
You could show us how to do it and we'll still do it wrong

There's four of us and there's none of you
Cuz no one likes us half as much as you
And you don't know us
And that's ok
We're the Frustrators anyway
