

My Best Friend's Girl

The Frustrators

She's always dancing down the street
With her suede blue eyes
And every new boy that she meets
Doesn't know the real surprise

Here she comes again
When she's dancing 'neath the starry skies
She'll make you flip
I kinda like the way she dips
She's my best friend's girl
She used to be mine

You got your nuclear boots
And your drip dry glove
If she bites you lip
It's her reaction to love

My best friend's girlfriend
She used to be mine yeah yeah yeah
Now she's a slut
