Backup

The Gadjits

Why I ain't your buddy Now I wake up in the morning Get out of bed Go to school get good grades to put myself ahead Now I work so hard for everything I got Now who the fuck is Jerry to tell me that I'm not? And I say backup Don't touch me again I'm gonna beat your family and your best friend I said backup, backup you're fuckin' with the wrong crew You won't talk shit to my face but I'll talk shit to you Why I ain't your buddy Now I'm not the kind of kid who will prejudge another man But I'll tell you one thing for sure I hope you'll understand Cause cocky motha fuckas, that talk shit on my set Are gonna get a whoopin' One they won't forget And I say backup Don't touch me again I'm gonna beat your family and your best friend I said backup, backup you're fuckin' with the wrong crew You won't talk shit to my face but I'll talk shit to you Why I ain't your buddy The truth of the matter is you couldn't back up any further You hide behind a grapevine and I'm on another server I'm tired of playing these games with you I really contest If you try to fuck me up boy, You're gonna get bucked back And I say backup Don't touch me again I'm gonna beat your family and your best friend I said backup, backup you're fuckin' with the wrong crew You won't talk shit to my face but I'll talk shit to you You won't talk shit to my face but I'll talk shit to you You won't talk shit to my face but I'll talk shit to you You won't talk shit to my face but I'll talk shit to you
