## The Game

Yo whassup this is Kanye-to-the  
Y'know good music is in the building  
The Roc is in the building  
I just called, called to shoutout my dawg Game  
Chillin in the streets right now  
That "Dreams" joint is crazy  
We gotta get, get started on our next joint my nigga  
Holla

It was all a dream...  
(Was it all a dream?) (2x)  
(Was it all a dream?) Dream (dream) dream (dream) dream  
(Was it all a dream?) ("It was all a dream") (3x)

It was all a dream; I used to read Word Up magazine  
Salt'n'Pepa and Heavy D up in the limousine  
Hangin pictures on my wall  
Every Saturday, Rap Attack - Mr. Magic, Marley Marl  
I let my tape rock 'til my tape popped  
Smokin weed and bamboo, sippin on private stock  
Way back, when I had the red and black lumberjack  
With the hat to match  
(Jay-Z: "It was all a dream") Duh-ha, duh-ha  
You never thought that hip-hop would take it this far  
Now I'm in the {dream} cause I rhyme {dream}  
Time to get paid, blow up like the World Trade  
Born sinner, the opposite of a winner  
Remember when I used to eat sardines for dinner  
Peace to Ron G, Brucey B, Kid Capri  
Funkmaster Flex, Lovebug Starsky  
I'm blowin up like you thought I would  
Call the crib, same number same hood, it's {dream}

Aaliyah had a {dream} Left Eye had a {dream}

And if you don't know, now you know  
It was all a dream ("It was all a dream") (4x)  
It was all a dream
