

Start from Scratch

The Game

What the fuck are you lookin at self

You want a piece of me

Ahh man shit

The story of my life...

If I could start from scratch I wouldn't change shit

Same red bandana same 45th

Same g wagon same hoodrat bitch

Workers in the kitchen cookin up my shit

Same telephone booth same connect

That mean the same hollow tips breakin up in my chest

Same bloody t-shirt same address

Same dog food album bangin in my tape deck

Homie if I could make 94 today

I'd tell easy and dre to bring back N.W.A.

I would have told Pac not to stomp Orlando

Told puffy and B.I.G about the Rampart scandal

I got too many dead homies

Fuck a rap career

I'd give anything in the world to bring back my nigga tez

Seem like we was jus' in magic city yesterday

If I could bring back my homeboy charles he would say...

If I could start my life from scratch

If I could take away the pain off my past

If I had another chance I would do just that

I'd give anything jus' to go right back

If I could start my life from scratch

If I could take away the pain off my past

If I had another chance I would do just that

I'd give anything jus' to go right back

When you a bad boy niggas don't wanna see you shine

Dre said its my turn

I'd give my own life if I could change God's mind

Bring baby luny back at the drop of a dime

He let off a whole k

Got shot 1 time

That was a coo nigga I wish he had 9 lives

My brother devon died coz he chased the cat

This a dog eat dog world Jesus please holla back

I would have told Big Will it rain every Tuesday and Thursday
When pigeons in your coupe you gotta watch where your birds lay
Would have told Vita to stay sober
When niggas beg for mercy
That mean the beef is over
Told meesh to take the porsche back
Drive a rover
Told slim hit reverse on that hardtop nova
I would've change a couple of lines when I wrote soldier
So I wouldn't have to live lookin over my shoulder
My life is like an impala ridin 3 wheel motion
I've been front to back
Side to side
Level my 6 4 frame out
Keep on rollin
Keep your family far away and your enemys closer
Picture The Source suckin Benzino's dick
Tryna be the big fish in the pond
You know how them piranhas get
You dead when dat green line go flat
If you could start your life from scratch you couldn't change that

If I could start my life from scratch
If I could take away the pain off my past
If I had another chance I would do just that
I'd give anything jus' to go right back

If I could start my life from scratch
If I could take away the pain off my past
If I had another chance I would do just that
I'd give anything jus' to go right back

Go right back.....
