

Chaos Calling

The Gates of Slumber

Animal or god, which am I?
Scream forever eternal cry
Bathe in the fury from ages unknown
Suffer the blow that kisses the blow

Chaos, calling
Chaos, calling

Wounds weep
Weary souls fall on dead-end earth
Watch them crawl
Blood and thunder, a ring in the ear
The call of chaos, stronger than fear

Chaos, calling
Chaos, calling

Darkness, falling
Chaos, calling

Wounds weep
Weary souls fall on dead-end earth
I watch them crawl
The call of chaos, stronger than fear

This iron age has turned to rust
Hope fallen to ash and dust
The end of time is calling
Our world into darkness falling

Chaos, calling
Chaos, calling
Chaos, calling
Chaos, calling
