

Death Dealer

The Gates of Slumber

Thunder
Shattering bone
Raging fury
Eyes as hard as stone
Power
A murderous rage
Bloodlust
A fire in his brain
Blood
Running dark
Thunder
The blow that finds the mark
Fearsome
His face unknown
The dealer
Of death has finally come
Death dealer
Lord of shadow
Lord of fear
Death dealer

Thunder
Shattering bone

Eyes as hard as stone
Fearsome
The dealer
Of death has finally come

Lord of shadow
Lord of fear
