

The Awakening

The Gates of Slumber

I arise once again. Cannot die my friend.
It's been years since I was laid to rest.
Don't know what I've done. Only what I've become.
For me... No rest.

NO

I walk again with a hunger that never ends.
I starve forever. I'll drain you.
You'll never be the same. I'll make you like me.
Ohhhh.

OH NO

Awake once more. From lost tales of yore.
The demon you thought. Was a lie.

I'm here with you. Nothing you can do.
And when I'm done you'll never die.
