Strange vibe
circles round
Tries to comfort
buzzing sounds

We the target
are the one

Place your bet
on the best
The fastest horse
you can find

Drop yourself
in the grass
Breathe the air
at last
Hold on tight
don't fall down

Breathe the air
through the water

We the target
are the center

Find the key

Close your eyes
for encore

Drop yourself
in the grass
Breathe the air
at last
Hold on tight
don't you fall down
Breathe the air
through the water

Find your peace

You the target
you the center

Find the key

Hold on tight
don't you fall down
Breathe the air
