

## Hand To Mouth

The Georgia Satellites

I recognize the symptoms, but I don't know the cure  
your feelings are so useless, banging your head on the wall  
well I'll improve your station, if I get half a chance  
no overnight sensation, matters to you right now  
yeah it's all too unreal, you know the way I feel  
when I got time to kill, that's when I get my fill  
livin' hand to mouth

the money it don't come anymore  
well it never came too much anyway,  
we spread it here and we spread it there  
never worry about the next day

Oh these times they come and go  
but I really don't give a damn  
c'est la vie and wish you well  
heading for the promised land

yeah it's all too unreal, you know the way I feel  
when I got time to kill, that's when I get my fill  
of livin' hand to mouth

I recognize the symptoms, but I don't know the cure  
your feelings are so useless, banging your head out on the wall  
yeah it's all too unreal, you know the way I feel  
when I got time to kill, that's when I get my fill  
yeah...
