the money it don't come anymore well it never came too much anyway, we spread it here and we spread it there never worry about the next day

Oh these times they come and go but I really don't give a damn c'est la vie and wish you well heading for the promised land

yeah it's all too unreal, you know the way I feel when I got time to kill, that's when I get my fill of livin' hand to mouth

I recognize the symptoms, but I don't know the cure your feelings are so useless, banging your head out on the wall yeah it's all too unreal, you know the way I feel when I got time to kill, that's when I get my fill yeah...
