

## My Fault

The Georgia Satellites

Take me like you find me don't try to change me  
You know better than that  
Take me like you see don't try to change me  
I ain't used to that  
Turn it up loud I'm a bum in the crowd  
If I've got something to say  
ain't nothing that can stop me  
I can't let it

Say I'm just a fool, well that's alright  
I don't wanna change nobody  
Say I'm just a fool, yeah that's alright  
I don't wanna change noone.

If I have to crawl down on my hands every night of the week  
It's gonna be my fault and noone else
