## **My Fault**

## The Georgia Satellites

Take me like you find me don't try to change me You know better than that Take me like you see don't try to change me I ain't used to that Turn it up loud I'm a bum in the crowd If I've got something to say ain't nothing that can stop me I can't let it

Say I'm just a fool, well that's alright I don't wanna change nobody Say I'm just a fool, yeah that's alright I don't wanna change noone.

If I have to crawl down on my hands every night of the week It's gonna be my fault and noone else
