## The Germs

Rip them down  
Hold them up  
Tell them that  
I'm your gun  
Pull my trigger  
I am bigger than-

Mr. Prez in his big White House  
Listen he says we're comin' out  
Infiltration-we're numbin' your minds  
Concentration-we've done time

[repeat chorus]

Over there the Queen she says  
Let's stamp them out and dry  
those tears

Saturation-we want in taxes  
Flagelation-we've got gashes

[repeat chorus]

In the cold, the czars claimin'  
Just protectin', rockets aimin'  
Alteration-Earth is changin'  
Observation-we want action

[repeat chorus]

I the Emperor proclaim  
Us the masters we rule the game  
Inclination-somethin' to dream on  
Deprivation-we are sons

[repeat chorus]
