

## Sick in Her Skin

The Get Up Kids

Baby Deleilah  
Sick in her skin  
Out on the highway livin for nothing  
It's the same old song again  
And since she defends  
On the moon and on forever she said  
You should still be here

Hooks in her toungue  
Escape if you can  
Clear out the room  
I'll open the window  
I'll fly in  
Blood on the table  
She made up her mind  
All of the talks we had were for nothing  
But I'd shine

It's overwhelming  
And since she defends  
On and on forever she says  
It's all over now  
It's all over now  
It's all over now  
It's all over now.

On and on and on forever, she says.
