The Getaway Plan

You cease to amaze me
With these means of letting go
It's all in your nature
And I can't help telling you
Can't you see that you are wasting all your time?
It's Not Poetical
After all
Here's my heart
In an envelope
Again
(You're so typical)
(Critical)
(Unstoppable)
(Permissible)

I know why you're absent
It was better left alone
