

## How The End... Always End

The Gift

Look at me  
Here is my melody  
It's not a symphony  
Sounds like the end to me  
Sounds like the time we spent  
Sounds like the end... always end  
Sounds like the time we kissed  
Sounds like all good we missed  
Sounds what it means to be  
It's not a symphony  
Sounds what it means to be  
It's not a symphony  
And every time  
I lay down in my bed and rest down my head  
I wait for the end  
I don't know what I've yearned  
Don't know what I've expected  
Cause the end it's always the end
