

Made For You

The Gift

I'll probably be there waiting for your hope
I'll probably be there waiting for your hope
I'll probably be dead if I ain't got your word
I'll probably be there waiting for your hope
I'll probably be dead if I ain't got your word

Got your word, got your word

This time you're not alone
Get rid of old ideals
Do something on your own
Don't care about the things you're listening to

Read books not facebook
The world's spinning upside down
Why don't you all join us
Is this my carousel of hope?

Got your word, got your word

Trust, I will always be there, waiting for your love
Trust in the beauty inside, trust the name Explode
Trust the colors of rainbows, even if it's dark
Trust in the photos you did and the ones outside
Trust in people, religions and all their hopes
Trust in the meaning of life, this can only be love
Trust the friends that we share, and the ones we don't
Trust in me, trust in you
Trust in me, trust in you
Over and over and over and over
Over and over and over and over
Trust, I will always be there, waiting for your love
Trust in the beauty inside, trust the name Explode

Trust, I will always be there, waiting for your love
Trust in the beauty inside, trust the name Explode
Trust in people, religions and all their hopes
Trust in the meaning of life, this can only be love
Trust the friends that we share, and the ones we don't
Trust in me, trust in you
Trust in me, trust in you
Over and over and over and over
Over and over and over and over
Over and over and over and over
Over and over and over and over
Over and over and over and over
Over and over and over and over
