

A Day We Go

The Gladiators

This music keep my feet vibrating,
This music make my soul keep turning,
Say hanging on into this same feeling,
I know this one got me swaying.

A dey. we a go,
I said no skid ya, no skid ya,
Hold on, to this feelings,
And move ya, I said move ya.

When this music hit you my friend,
You got to show appreciation,
Nothing else could hit you that bad,
So please tell me what have you got to say.

A dey. we a go,
I said no skid ya, no skid ya,
Hold on, to this feelings,
And move ya, I said move ya.

Ah-ah-ah..
Ah-ah-ah..
Ah-ah-ah..

When this music hit you my friend,
You got to show appreciation,
Nothing else could hit you that bad,
So please tell me what have you got to say.

A dey. we a go,
I said no skid ya, no skid ya,
Hold on, to this feeling,
And move ya, I said move ya.

A dey. we a go,
I said no skid ya, no skid ya,
Hold on, to this feeling,
And move ya, I said move ya.

A dey. we a go,
I said no skid ya, no skid ya,
Hold on, to this feeling,
And move ya, I said move ya.

A dey. we a go,
I said no skid ya, no skid ya.
