

Follow The Rainbow

The Gladiators

I'll follow the rain, the rain, the rain, the rainbow
I'll follow the rainbow.
There's a pot of gold - at the end of the rainbow
Broad is the way to elsewhere - narrow is the way to our
equal share,
The road may be rugged and stiff
But I, I won't let go
Oh no no no no no no no no no no

What is for Peter cannot be for Paul
What is for James cannot be for John
What is for Harry cannot be for Tom
What is for Marcus cannot be for Rufus

Want you to know
What is for I cannot be for another man

So I'll follow the rain, the rain, the rain, of the
rainbow,
Rainbow follow the rainbow
I'll follow the rain, the rain, the rain, oh yes the
rainbow,
Rainbow follow the rainbow.....
