

Stick A Bush

The Gladiators

Every hoe ha dem stick a bush
Every hoe ha dem stick a bush

Whether it big or it small
Whether it tall or it short
Whether it bent or it straight
Whether it pretty or it ugly

All breeze don't blow the same direction
Where the river run once it will run twice
Where ants find fat there him clone
Sun rises from the east - down in the west

Every hoe ha dem stick a bush
Every hoe ha dem stick a bush.....
