Stick A Bush

The Gladiators

Every hoe ha dem stick a bush Every hoe ha dem stick a bush

Whether it big or it small Whether it tall or it short Whether it bent or it straight Whether it pretty or it ugly

All breeze don't blow the same direction Where the river run once it will run twice Where ants find fat there him clone Sun rises from the east - down in the west

Every hoe ha dem stick a bush
Every hoe ha dem stick a bush......
