

## Sweet So Till

The Gladiators

I said it sweet, it sweet, it sweet so till  
The apple that I pick in your garden  
I said it nice, it nice, it nice so till  
It's the sweetest thing I ever taste

Oh Mary, oh Mary, oh Mary Jane  
When I pick your apple again

What kind of flavor you put in to make it so sweet  
Is it cherry, chocolate or vanilla?

I said I like it, I like it, I like it so  
I won't run away, I'll stay and take some more

Cause it sweet, it sweet, it sweet so till  
The apple that I pick in your garden  
I said it nice, it nice, it nice so till  
It's the sweetest thing I ever taste

What kind of flavor you put in it make it so sweet  
Is it cherry, chocolate or vanilla?

I said I like it, I like it, I like it so  
I won't run away, I'll stay and take some more

Cause it sweet, it sweet, it sweet so till  
The apple that I pick in your garden  
I said it nice, it nice, it nice so till  
It's the sweetest thing I ever taste
