

The Race

The Gladiators

You already in the race don't you give up your time will
come

The race is not for the swift but for the smart
When things get rough on you don't get upset
Just keep a smile with love in your heart
One day I know the good lord will help you out

Just hold your head up high
With love in your heart with a song in your thought
Love your fellow man treat every one good
Blessed are the meek for they shall inherit the earth
But those that exalted themselves shall be
abased.....
