

The Race

The Gladiators

You already in the race don't you give up your time will
come

The race is not for the swift but for the smart

When things get rough on you don't get upset

Just keep a smile with love in your heart

One day I know the good lord will help you out

Just hold your head up high

With love in your heart with a song in your thought

Love your fellow man treat every one good

Blessed are the meek for they shall inherit the earth

But those that exalted themselves shall be

abased.....
