

# Rock On

The Glitter Band

There's a new Vibration  
Spreading through the Nation  
Like a magic Potion  
It's just music Motion  
Get up on your feet Rock On!  
Feel it in your soul Rock On!  
Ball of Fire, Keeps on growing Higher  
Chase your blues away, Rock On!  
There's a New age coming,  
Things are really Humming  
All across the Land, Rock On!  
On and On and On and On Rock On!  
Rock On !!  
And now I tell you something  
We really started something Strong!  
And as long we keep going,  
We know there's nothing going wrong!  
Rock On!  
Rock, Rock On, Rock On! Rock  
Rock On, Rock On Rock Rock  
On, On and On and On and On  
Rock On!!!!
