

## Bachelor Kisses

### The Go-Betweens

Hey wait, please wait,  
Don't rush off,  
You won't be late.

Wait, yes, he'll wait,  
The engine's running  
At the gate.

Don't believe what you've heard,  
"Faithful"'s not a bad word.

Oh, won't you save these Bachelor  
Kisses now, they're for your brow.  
Oh, won't you save these Bachelor  
Kisses now, they're for your brow.

Hand, hands like hooks,  
You'll get hurt  
If you play with crooks.

Your hand, that's all he took,  
The world opened up  
For your looks.

Don't believe what you've heard,  
"Faithful"'s not a bad word.

Oh, won't you save these Bachelor  
Kisses now, they're for your brow.  
Oh, won't you save these Bachelor  
Kisses now, they're for your brow.

The arcade lights are hanging down.  
The rain surrenders to the town.  
The world of men don't mean a thing  
When all they give you is a diamond ring.

Don't believe what you've heard,  
"Faithful"'s not a bad word.

Oh, won't you save these Bachelor  
Kisses now, they're for your brow.  
Oh, won't you save these Bachelor  
Kisses now, they're for your brow.

But don't be slave to Bachelor  
Kisses now, they'll break their vow.  
But don't be slave to Bachelor  
Kisses now, they'll break their vow.
