

Apology

The Go-Go's

I will find a way to move on
Discontent had its day the pleasure's gone
If you ask me to describe
What I could want with all I've got
I'd say good days and thank you's
Instead of all these question marks

'Cause when I found you
I thought my life was charmed
And we'd be safe from what
Has happened now has happened now

Apology I'm sorry apology I'm sorry
Apology I'm sorry but I have no regrets

No one knows just why I can't stay
Starting over's alright the end so far away
I know I seem careless
My moods they change like the weather
So I ask your forgiveness
While I pull myself together
In the meantime
I live I work I wait I hope
I still have faith
That what was mine can still be mine

Apology I'm sorry apology I'm sorry
Apology I'm sorry but I have no regrets

In the meantime
I live I work I wait I hope
I still have faith
That what was mine can still be mine

Apology I'm sorry apology I'm sorry
Apology I'm sorry but I have no regrets
You'll be sorry I'll be sorry everybody will be sorry
