

Get Up and Go

The Go-Go's

If you get up and walk away
Leave the past behind
Go ahead and take a ride
No telling what you'll find

The words you say don't mean a thing
They fly right by my eyes
Lookin the mirror don't look at me
Maybe then you'll realize

So get up and go
If you're so tired of moving slow

I was on the inside
Looking out for you
But you're the one to make the change
There's nothing I can do

Now's the time for you to move
Actions shout out loud
So cut the talk and move your feet
Cuz words get lost in crowds

Quit talking
Start walking now
