La La Land

The Go-Go's

C'mon everybody do you want something real? Can't seem to get ahead but it's no big deal Floating like a feather in a wide open space Landing in a perfect happy place

Hello world we're here again Living life in lalaland

I hear what I wanna here living on cloud nine Jumping on a bed of flowers chasing the time "oh it's a hard road" says everyone I meet We can't trust the ground beneath our feet

Hello world we're here again Living life in lalaland Hello world we're here again Living life in lalaland

Yeah yeah yeah yeah yeah

Lalalalalaland lalalaland Lalalalalaland lalalalaland

Hello world we're here again Living life in lalaland Hello world we're here again Living life in lalaland
