

London Boys

The Go-Go's

Seen your pictures in the 'zines
And you look real good
Pale blank faces - black and white keen
London boys - cigarette lean

London boys
Wish you were here
London boys
Wish we were there
London boys
Seem real cool
London boys
Wish you were here
London boys
Wish we were there
London boys
Seem real cool
London boys

If we had the money
If we were only rich
We'd take a jet plane get outa this scene
And make the switch

London boys
Wish you were here
London boys
Wish we were there
London boys
Seem real cool
London boys
Wish you were here
London boys
Wish we were there
London boys
Seem real cool
London boys

Go go go

Seen your pictures in the 'zines
And you look real good
Pale blank faces - black and white keen
London boys - cigarette lean

London boys
Wish you were here
London boys
Wish we were there
London boys
Seem real cool
London boys
Wish you were here
London boys
Wish we were there
London boys
Seem real cool

London boys
London boys
