Our Lips Are Sealed

The Go-Go's

Can you hear them
They talk about us
Telling lies
Well, that's no surprise

Can you see them
See right through them
They have no shield
No secrets to reveal

It doesn't matter what they say
In the jealous games people play
Our lips are sealed

There's a weapon That we must use In our defense Silence reveals

When you look at them
Look right through them
That's when they'll disappear
That's when we'll be feared

It doesn't matter what they say In the jealous games people play Our lips are sealed

Give no mind to what they say It doesn't matter anyway Our lips are sealed

Hush, my darling
Don't you cry
Quiet, angel
Forget their lies

Can you hear them
They talk about us
Telling lies
Well, that's no surprise

Can you see them
See right through them
They have no shield
No secrets to reveal

It doesn't matter what they say
In the jealous games people play
Our lips are sealed

Pay no mind to what they say
It doesn't matter anyway
Our lips are sealed
Our lips are sealed
Our lips are sealed
